Dear Church Family/ Friends

LET'S KEEP CONNECTING!

So what is the new church family rhythm proposed at the moment (subject to change as the week/s unfold):

SUNDAYS

10.30am Morning Service for approx 40-45min. This is an opportunity for the whole NLC family to connect on ZOOM. It is also an opportunity to invite any friends/ family to join us as well.

To join during the service, open zoom, click JOIN & type in meeting **ID 861 *** **91** and **password 9****6** NB. You won't be able to join until about 10.25am.

11.10am (to approx 11.30am) Why not stay connected after the service finishes to catch up/ chat to others online in our virtual coffee time (after service refreshments from your own home!!)

8pm Evening Prayer for 45-60min. This is an opportunity for us all to keep praying on a weekly basis for each other & our nation at this time. Please message myself or Pam if you have prayer requests to share.

To join during the meeting, open zoom, click JOIN & type in meeting **ID 861 *** **91** and **password 9****6** NB. You won't be able to join until about 7.55pm.

MONDAYS

2pm Connect Group for 45-60min. This is time for more relaxed chat/ sharing with each other. Also time to encourage each other/ share what the Lord has been laying on your heart. Last 15-20 minutes of so will be short reflection/ scripture and time of prayer.

To join during the meeting, open zoom, click JOIN & type in meeting **ID 861 *** **91** and **password 9****6** NB. You won't be able to join until about 1.55pm.

**NB. THIS MAY CHANGE AFTER EASTER (from 20 Apr) DUE TO THE FOODBANK COMMITMENT
MORE DETAILS TO FOLLOW SOON**

WEDNESDAYS

FURTHER NOTES

It has been mentioned to us to consider the following on improving our ZOOM meeting experience:

(i) Only use one device at a time in your home to connect to your wifi/ zoom meeting (NB. Others in house not online at same time)

(ii) Make sure your wifi router is not blocked, covered or behind furniture/ other items - so that you don't get any interference or slow down your broadband speeds/ quality of connection.

(iii) Check the quality of your broadband - can you upgrade to faster speeds during this time?

(iv) When hosting a connect group - maybe the one with the fastest/ best connection hosts the meeting?

NB. Of course if others host, then we will need a new meeting ID to know how to connect!

Any other thoughts, suggestions and questions welcome :)

Together we are stronger - IN HIM & with each other - we are HIS CHURCH!

Awesome blessings to you all!

Steve
